

Lixio® and Lixio®+ Colours

The art of
harmony

EN With Lixio® and Lixio®+ it is possible to create many different combinations.

- Lixio® is composed of Colour Pack-C base colour plus the addition of 2-3 mm marble aggregates.
- Lixio®+ is made up of a mixture of: Colour mix (8 basic colours), (white or grey) cement and 8-12 mm marble aggregates.

The combinations in this colour chart are standard proposals created by Ideal Work. They are sorted according to a colour scheme divided into five colour lines.

The colours listed in this page are only indicative; Ideal Work authorised applicator will create an ad hoc sample for you to see and touch the colour and finish you would like to choose.

IT Con Lixio® e Lixio®+ è possibile creare molte combinazioni diverse.

- Lixio® è composto dal colore di base Colour Pack-C più l'aggiunta di graniglie di marmo di 2-3 mm.
- Lixio®+ si compone, invece, con una miscela di: Colour mix (8 colori base), cemento (bianco o grigio) e graniglia di marmo da 8-12 mm.

Le combinazioni in questa cartella colori sono delle proposte standard ideate da Ideal Work. Sono ordinate secondo lo schema colore diviso in cinque linee cromatiche.

I colori riportati in questa pagina sono solo indicativi, sarà poi l'applicatore autorizzato Ideal Work che realizzerà un campione ad hoc per poter vedere dal vivo colore e finitura.
